

Bainville Public School Athletic COVID Protocol

Signage: Several signs placed both indoors and out and at all venues:

- One concerning symptoms, with a list of those, a request to stay home if ill, information about social distancing, (including groups) an assumption of risk.
- A second sign (orange) about the governor's mask directive.
- Signage for covering cough are posted around the building, near concessions, and at ticket booths.

Spectators:

- We have arranged for indoor visiting teams to come before home team or before any spectators.
- We have an "in door" and an "exit" with orange cones to help direct traffic.
- We have hand sanitizer at entrances, at eating places, at outdoor port-a-pottys, and in stands.

Ticket takers will have Plexiglas screens between them and the spectators during the exchange of money.

Attendance:

- Our maximum attendance in our gym is 1100 so 75% would be 825.
- We are limiting our attendance to 750 to allow for more spacing.
- Outdoors we have opened additional car seating around the football field in addition to our current car seating areas.

Concessions:

- Our meals at concessions will all be "prepackaged" even if they are homemade—no one but the original cook will touch the food until the customer unwraps it.
- Customers will not be allowed to touch any items for sale, all will be served by concession workers in gloves and masks.
- Gloves will be changed frequently.
- Concessions additionally will have Plexiglas screens between the customer and the food.
- We have also increased the area of our concessions so customers and workers are not as close together or close to each other.
