4  
5 Selection of Library Materials

6  
7 Selection of library materials is a professional task conducted by library staff. In selecting  
8 library materials, the librarian will evaluate the existing collection; assess curricula needs;  
9 examine materials; and consult reputable, professionally prepared selection aids.

10  
11 Weeding

12  
13 When materials no longer meet criteria for selection, they will be weeded. Weeding is a  
14 necessary aspect of selection, since every library will contain works which may have answered a  
15 need at the time of acquisition, but which, with the passage of time, have become obsolete,  
16 dated, unappealing, or worn out.

17  
18 Discarded materials will be clearly stamped:

19  
20 “WITHDRAWAL FROM BAINVILLE K-12 SCHOOLS LIBRARY”

21  
22 Materials will be discarded in compliance with § 20-6-604, MCA. When the decision to sell or  
23 dispose of library materials is made, the Board will adopt a resolution to sell or otherwise  
24 dispose of the material because it is or is about to become abandoned, obsolete, undesirable, or  
25 unsuitable for the school purposes of the District. The Board will publish a notice of the  
26 resolution in the newspaper of general circulation in Bainville. The resolution may not become  
27 effective for fourteen (14) days after notice is published.

28  
29 Gifts

30  
31 Gift materials may be accepted with the understanding they must meet criteria set for book  
32 selection.
