7 Statement of Policy

8
9 A student’s right to participate in a commencement exercise of the graduating class at Bainville
10 High School is an earned privilege. As such, participation in this ceremony is reserved for those
11 members of the graduating class who have completed all state and local requirements for
12 graduation before the date of the ceremony. Students who complete their requirements after the
13 date of commencement exercises will receive their diplomas at that time.

14
15 Organization and Content of Commencement Exercises

16
17 The school district will permit students to honor their American Indian heritage through the display of
18 culturally significant tribal regalia at commencement ceremonies. Any item that promotes drug use,
19 weapon use, threats of violence, sexual harassment, bullying, or other intimidation, or violates another
20 district policy, state, or federal law may not be worn during graduation.

21
22 The school administration may invite graduating students to participate in high school graduation
23 exercises according to academic class standing or class officer status. Any student who, because of
24 academic class standing, is requested to participate may choose to decline the invitation.

25
26 The school administrators will review presentations and specific content, and may advise participants
27 about appropriate language for the audience and occasion. Students selected to participate may choose to
28 deliver an address, poem, reading, song, musical presentation, or any other pronouncement of their
29 choosing.

30
31 The printed program for a commencement exercise will include the following paragraphs:

32 *Any presentation by participants of graduation exercises is the private expression*
33 *of an individual participant and does not necessarily reflect any official position of the*
34 *District, its Board, administration, or employees, nor does it necessarily indicate the*
