In order for a student who is served through distance learning or offsite delivery methods to be included in the calculation of average number belonging, the student must meet the residency requirements for that district; live in the district, and must be eligible for educational services under the Individuals with Disabilities Education Act or under 29 U.S.C. 794; or attend school in the district under a mandatory attendance agreement as provided in § 20-9-707, MCA.
