5 Professional Growth and Development

6
7 The Board recognizes that training and study for the Superintendent contribute to skill
8 development necessary to better serve the District's needs. Each year the Superintendent should
9 develop an in-service program based on the needs of the District, as well as the needs of the
10 Superintendent.

11
12 The Superintendent is encouraged to be a member of and participate in professional associations
13 which have as their purposes the upgrading of school administration and the continued
14 improvement of education in general.
