5 Operation and Maintenance of District Facilities

6

7 The District seeks to maintain and operate facilities in a safe and healthful condition. The head  
8 custodian, will periodically inspect plant and facilities. The head custodian will develop a  
9 program to maintain the District physical plant by way of a continuous program of repair,  
10 maintenance, and reconditioning. Budget recommendations will be made each year to meet these  
11 needs and any such needs arising from an emergency.

12

13 The head custodian will formulate and implement energy conservation measures. The  
14 Superintendent and staff are encouraged to exercise other cost-saving procedures in order to  
15 conserve District resources in their buildings.
