5 Removal of Student During School Day

6

7 The Board recognizes its responsibility for the proper care of students during a school day. In  
8 accordance with District procedures, only a duly authorized person may remove a student from  
9 school grounds, any school building, or school function during a school day. A person seeking  
10 to remove a student from school must present evidence satisfactory to the Superintendent of  
11 having proper authority to remove the student. A teacher should not excuse a student from class  
12 to confer with anyone, unless a request is approved by the Superintendent. The Superintendent  
13 will establish procedures for removal of a student during a school day.
