Part-Time Attendance

The District will not accept students eligible to enroll in grades K-6 on a part-time basis unless they are disabled. The District will review requests for part-time enrollment of 7-12 students on a case-by-case basis, with the Administration making the final decision. The District will consider only those students who are not enrolled in any other school except a home school-

Criteria for accepting students in grades 7-12 for part-time enrollment are the following:

1. Accepting a student will not create excess student enrollment in a requested class;
2. Accepting a student will not create need for an additional staff member;
3. Accepting a student will not cause a new section of a course to be created.
4. Nothing less than half time attendance will be considered.

The District will accept on a first-come, first-served basis students wishing to enroll in the same course. Whenever the enrollment position of a part-time student is needed for a regular, full-time student during the year, a full-time student has priority for the position beginning with the next semester.
