5 Student Publications

6  
7 Student publications produced as part of the school’s curriculum or with the support of student  
8 body funds are intended to serve both as vehicles for instruction and student communications.  
9 They are operated and substantively financed by the student body and the District.

10  
11 Material appearing in such publications should reflect all areas of student interest, including  
12 topics about which there may be controversy and dissent. Controversial issues may be presented  
13 provided they are treated in depth and represent a variety of viewpoints. Such materials may not  
14 be libelous, obscene, or profane nor may they cause a substantial disruption of the school, invade  
15 the privacy rights of others, demean any race, religion, gender, or ethnic group, or advocate the  
16 violation of the law. They may not advertise tobacco, nicotine, liquor, illicit drugs or drug  
17 paraphernalia.

18  
19 The Superintendent shall develop guidelines to implement these standards and shall establish  
20 procedures for the prompt review of any materials which appear not to comply with the  
21 standards.
