5 Video Surveillance

6
7 The Board authorizes use of video cameras on District property, to ensure the health, welfare,
8 and safety of staff, students, and visitors to District property and to safeguard District buildings,
9 grounds, and equipment. The Superintendent will approve appropriate locations for video
10 cameras.

11
12 The District will notify staff and students, through staff and student handbooks or by other
13 means, that video security monitoring may occur on District property. A notice will also be
14 posted at the main entrance of all District buildings, and on all buses, indicating the use of video
15 surveillance.

16
17 The District may choose to make video recordings a part of a student’s educational record or of a
18 staff member’s personnel record. The District will comply with all applicable state and federal
19 laws related to record maintenance and retention.

20
21 Audio shall not be a part of the video recordings made, reviewed, or stored by the district.
