5 Goals

6

7 In order for students to obtain the maximum benefits from their educational program, a complex
8 set of support services must be provided by the District. These services are essential to the
9 success of the District, and the staff that provides them is an integral part of the educational
10 enterprise. Because resources are always scarce, all assets of District operations, including
11 noninstructional support services, shall be carefully managed in order to obtain maximum
12 efficiency and economy. To that end, the goal of the District is to seek new ways of supporting
13 the instructional program, which shall maximize the resources directly available for students'
14 learning programs.
