5 Risk Management

6
7 The Board believes the District must identify and measure risks of loss which may result from
8 damage to or destruction of District property or claims against the District by persons claiming to
9 have been harmed by action or inaction of the District, its officers or staff. The District will
10 implement a risk management program to reduce or eliminate risks where possible and to
11 determine which risks the District can afford to assume. Such program will consider the benefits,
12 if any, of joining with other units of local government for joint purchasing of insurance, joint
13 self-insuring, or joint employment of a risk manager. The Board will assign primary
14 responsibility for administration and supervision of the risk management program to a single
15 person and will review the status of the risk management program each year.

16
17 The District will purchase surety bonds for the Clerk, and such other staff and in such amounts as
18 the Board shall from time to time determine to be necessary for honest performance of the staff
19 in the conduct of the District’s financial operations.
